

Valley View United Methodist Church 2019 ESTIMATE OF GIVING

Our stewardship commitment is a little different this year. First, we are asking you to commit to a combined budget in 2019. In the past we have requested support for the operating fund and additional support for the building fund. Now we are asking that you add those two amounts into a single combined total. By contributing to a combined budget you are providing the finance team with greater flexibility to use contributions where they are most needed.

The second difference is the uncertain future of the church. There is significant support behind the idea of Valley View becoming a campus of The United Methodist Church of the Resurrection, but no official decision will be made until December. Even though things may change mid-year, we are asking you to consider an annual commitment. Nothing has been decided yet, and until we know something for sure, we need to assume that expenses will continue as normal. Additionally, if we do move forward with the CoR option, we pray that you will remain a faithful, contributing participant in the *new normal*.

As always, you can contact the office mid-year, should you desire to revise your estimate.

In response to the love of God, the grace of Jesus Christ, and by the power of the Holy Spirit, I/We make this 2019 estimate of giving.

Weekly _____ x 52 = \$ _____

or
Monthly _____ x 12 = \$ _____

or
Quarterly _____ x 4 = \$ _____

or
Other _____ x _____ = \$ _____

Annual Total = \$ _____
